"First check whether the kitchen **pot** is on, then check the **bottled water** under the bedroom table.
Check the **cup** on the living-room refrigerator; if absent, search the living-room table."

"Check for the **cup** on the lounge table and the **basketball** under the chair in the activity room;
inspect whether the **trash can** next to the fan in the storage room is full."

"Find the **ball** on the pool table in the recreation room."

"Find the **cup** on the table in the lounge."
